

NEWSLETTER - MAY 2024

Your Director

Thank you to all our dance families and dancers. Last term we raised a whopping £170 for Magpie Dance as part of our Pyjama Day. I'm delighted to say that we are planning a dance collaboration with Magpie to help support them and raise further funds, Watch this space for yet another performance opportunity. Don't forget to check term dates for this term as well as our half term workshops !!!

Miss Lovick

Our monthly Shining Star

Isabelle

Isabelle received two commendations this month for her hard work and effort her Acro and Modern classes. She is leaping forward in her ACRO classes, with a strong, controlled down to bridge move and in Modern she is picking up all the new work incredibly well, ready for her exam in July. Keep up this AMAZING work, Isabelle!

Monthly news for May

It's already proving to be a busy month, getting ready for exams, finalising the timetable for September, adding new classes, planning Acro workshop, our photoshoot day and pointe shoe fittings for our senior dancers. Exciting times for our talented pupils.

Pointe shoe fittings

All Friday and Thursday pupils will have a Pointe shoe lecture with our expert pointe shoe fitter, Leanne on Friday 17th May at 4.30pm with further fittings on 27th and 28th May.

[Info click here](#)

All dancers in Classic 4 and 5 have the opportunity to attend this informational workshop and then have their feet assessed and fitted for pointe shoes. We can't wait to see our dancers on pointe! What a great achievement for our hard working ballet dancers.
